

FQH 142 – The Learning Activity

Choose only one of the following activities to submit:

1. Write about the different opinions between scholars and madhhabs with regards to the **commencement of Ramadan (moonsighting vs. calculations)** and include the opinions of the contemporary scholars. Mention the reasons and evidences behind these opinions.

2. Summarize in one table **all types of Zakat including the six types of wealth** and highlight the important conditions, the similarities, and the differences.

3. Make a **glossary that includes all Fiqh Terminologies** that we used in this course; and provide a simple definition for each.

4. Create a sketch, mind map, or an infographic design that **summarizes all the steps of Hajj** as discussed in this course.

For the 1st and 2nd topics, you can present your work by one of the following methods:

1- A Word/PDF file; word limit is 400-600 words; font: Times New Roman, font size: 14, spacing is 1.5 lines, headings are bold, text is justified; adding references in footnotes or at the end is very recommended.

2- A PowerPoint presentation; does not exceed 10 slides; font: Arial, font size: 24-28; be creative in presenting your work and in summarizing your findings; mention your references.

3- Record a (5-15 minute) video of yourself talking about your research findings, make sure you mention some references. The video should be of an HD quality (the minimum is 720p).

If you select the 3rd topic, please follow the same Word/PDF formatting and word count mentioned above.

If you choose to do the 4th point, there are a variety of mind mapping tools, you can use any; or feel free to use any graphic design software if you are familiar with infographic design.

Note: Please make sure that your submission is well formatted and free of any spelling, grammatical, and punctuation mistakes.
